Risk Rating & Limit Today's Rating (0-100) Image: A since 1/30/2017 Image: A since 1/30/2017

Rating Definitions

The Creditsafe Rating works on a scale of 1-100 and predicts the likelihood that a business's payment performance will become seriously delinquent, defined as 90-plus days beyond terms within the next 12 months or that the business will go bankrupt.

Limit Definitions

The Creditsafe recommended credit limit is calculated using information from a company's payment record and from the payment records of similar companies. The company credit limit is our recommendation of the total amount of credit that should be outstanding at any one time.
